

B. OVERVIEW FOLD3 DATABASE, WORLD WAR II / HOLOCAUST COLLECTION

This is a preliminary hierarchical overview of the FOLD3 database. The list below does only include SERIES and CATEGORIES that include or are likely to include documents with information about Jewish ceremonial objects. Titles of SERIES and CATEGORIES that are obviously not relevant for our research are not included. The column 'Remarks and instructions' also gives information on the status of research. For instance, 'no relevant information on Jewish ceremonial objects' implies all documents of the PUBLICATION/SERIES/CATEGORY were checked.
